Stuff We Love, Dirty Jokes, and Found Porn

We love receiving and running your most ridiculous dirty jokes, sex news, and crazy sightings! Keep 'em coming! Here's a compilation of reader favorites that have made it to our Hall Of Fame.

THE PLAYGIRLS

A decade before *PLAYGIRL* magazine was unveiled to the world in 1973, a high-schooler named Carol Young got four girls together and formed an all-female pop band called The Playgirls. She assembled the band before learning an instrument: rhythm guitar at first and then, when she found it impossible to recruit any decent female drummers, the drums. The group learned a full four sets of music (peppered with lots of Beatles tunes), and played out at officer and NCO clubs, dances, and a big gig at the Washington Coliseum where the Beatles had played eight months prior.

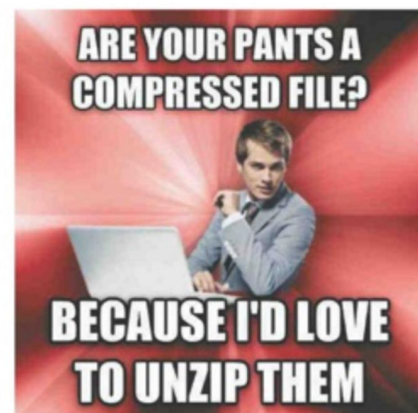

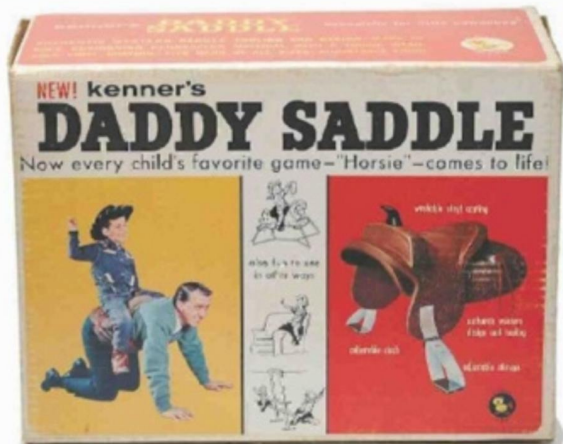

Man Cuts off Own Penis, Jumps from Balcony

Christ Bearer, aka Andre Johnson, was recently rushed to the hospital after cutting off his penis and jumping from a second-story balcony in what police described as a suicide attempt, *TMZ* reported. Bearer is a rapper in the group Northstar, a band discovered by members of Wu-Tang Clan. Two members of a group Bearer collaborates with reported they were in Bearer's apartment when he, without warning, cut off his penis and jumped from the balcony. Cops arrived on the scene around 1 a.m. and saw Johnson, 40, lying on the sidewalk with critical injuries. He was rushed by ambulance to Cedars-Sinai Medical Center. Johnson jumped less than 24 hours after the release his new video "OOOH!" He was expected to recover—though there's no update available on whether his "Johnson" was reattached.

ONE-LINERS THE WILL LEAVE YOU SINGLE AND ALONE FOREVER

Over at hilarious website The Chive, readers post any number of ridiculous things. But these gems, submitted by reader Besty West out in Utah, take the cake.

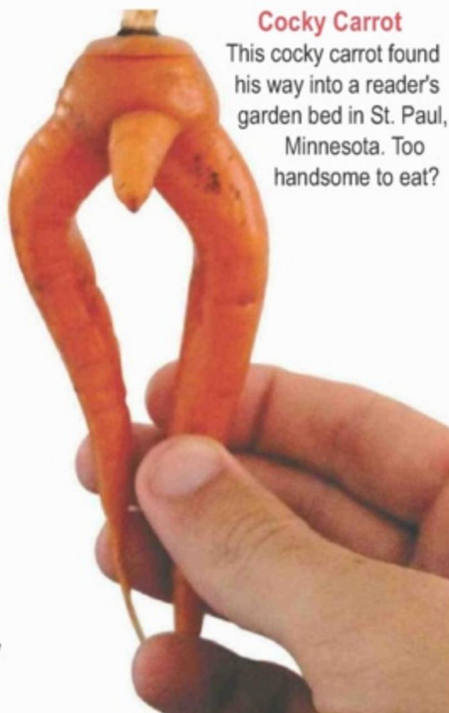

Daddy Saddle

The 1965 Kenner "Daddy Saddle" was meant to bring the childhood game of "horsie" to life—but somehow, this otherwise innocent toy just seems wrong, wrong, wrong.

Kidz Fun Two Finger Squirter

This toy definitely sounds like fun—I mean what is not fun about two fingers that squirt? Oh right except this is actually meant to be a toy. For kids? Whoops.

Cocky Carrot

This cocky carrot found his way into a reader's garden bed in St. Paul, Minnesota. Too handsome to eat?

The Big Stiffy

The Austin Motel on Congress Avenue in Austin, Texas, is an historic landmark that's been family owned and operated since 1938. We love the kitschy, retro vibe, but what we most especially love is that phallic sign!

800-Pound Elephant?

Wrong. Just... wrong.

Pouring on Praise

I have been a fan of your wonderful magazine for almost 10 years now and I have some older issues I found in a used bookstore. I have some former models I'd like to see in future issues. Could we see Hungarian Endre, the Ponce twins, Alex Bento, Robert Michael, Marcello Margill, Armin West, Warren Northwood, John Holliday, Steve Ramsey, Angelo Berrios, Clifton Mouzon, Michael Maguire, Andre Herbert, Peter Sernling, Matt Mullen, and Elvis impersonator Jesse Garon pose nude in all their wonderful glory again? I know it's a lot but those guys really turn me on and I'd like to see

what they look like today and what they are "up to" these days!

—Kent Huang, via email

This note is *long* overdue! I'm a charter member of the Playgirl Magazine Fan Club every since the first issue 41 years ago. Wow! All of a sudden I feel so old! In any case, I was so disappointed when the magazine ceased publication several years ago. When I learned that new issues were coming out each quarter, I immediately re-enrolled as a subscriber. I'm so thrilled that you folks are back. How likely is it that you will resume a *monthly* schedule? I am still heartbroken over the tragic loss of former centerfold Joey Kovar. I have shed many tears over his premature passing! More than 30 years ago when the Chippen-dales dancers were the hottest craze, I became involved as a recruiter for their Los Angeles and New York City clubs. I certainly have the credentials to locate amazing, hot, sexy guys. I would absolutely love to work together again

so I could locate awesome guys for upcoming Playgirl issues. Keep up the great job you're doing with the magazine!

—Tom Hutton,
Fair Lawn, N.J

Editor's Note: Thanks Tom for the encouragement and kind thoughts! We are working on upping the amount of issues our fans can get throughout the year; and while we don't utilize recruiters like we used to, we're always open to suggestions of great men to feature.

Sharing Is Caring

Thank you so much for sharing these naked men with us! We women need the same offerings men get in order to see and learn about sex.

—Lubi Alex Ljubica, via Facebook

It's our pleasure, Lubi! Thank you for your letter.

Welcome To The Neighborhood

Thank you for giving women such a sex-positive place to enjoy the beauty of naked men! I'm so happy to have moved on from *Cosmo's* "how to please a man" template to your "how to please yourself" model. Playgirl has empowered me to own my own sexuality and I couldn't be more grateful.

—Renee Doldo, Des Moines, Iowa
Thank you, Renee! you go, girl!

Swimming Lesson

The Olympic swimmer Ryan Lochte would look great in your summer issue, 2016! He is hot and the magazine would sell a lot of issues. I've seen him nude on the Internet and know he lives in Florida! Keep doing a great job with the magazine; I really like the photos of Quinn Jaxon in the fall issue. Keep up the good work! —Todd, via email
Thank you, Todd and please point us in the direction of those photos!

Blessing's Unlimited

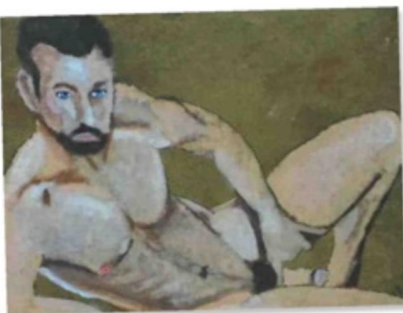

I have enjoyed your wonderful magazine for a long time. There was a time when I had every issue from the 1970's to the 1980's; so it was really great seeing the Anniversary issue. Thank you for that! I would also like to say that I have used some of your models in my artwork. I am a fan of Greg

Weiner's photos. Being that I am visually impaired, I have used painting as therapy and have reproduced some of Mr. Weiner's photography as inspiration. Here is one of my paintings, which is untitled.

—Greg Blessing, via email

Amazing work, Greg. Thank you for sharing your story and your art.

The Real McCoy

My girlfriends and I go through every issue of *Playgirl* together. Our absolute favorite is the Real Men section. It fills us with thoughts about all the men we see every day, and what they might be packing underneath! It's such a blast to see normal guys naked, as it seems like anytime that happens in everyday life the lights are off or we're catching glimpses of our husbands coming out of the shower or something. Thank you for adding a fun sense of fantasy to our lives!

—Brittany, via email

33688

Chip Off The Old Block

Yes, Yes, Yes! Thank you so much for bringing back Chippendales for your latest issue (Issue #72)! I love these guys and can't wait for each time you feature them! My girlfriends and I absolutely love making excuses to catch these shows. Love you *Playgirl*!

—Maria Rosa, Dallas, TX

Editor's Note: Thanks Maria! You're going to love all the "working men" featured in this issue, too!

Trips & Quads?

I have an idea for a pictorial spread, which I don't think you have ever done before. How about a shoot with identical or fraternal triplets or quadruplets? I think it would be hot to see three guys who were part of a multiple birth posing together naked and having a good time. I have always loved reading your magazine and think that you featuring twin brothers is always hot, but it would be even hotter if you had three or more in a single shoot!

—Kent Huang, via email

Doyle & Dayle

No Touching Allowed

Your editor-in-chief (Nicole Caldwell) is a very pretty lady! Do any of the *Playgirl* models ever ask her out?

—Jamie Whipp

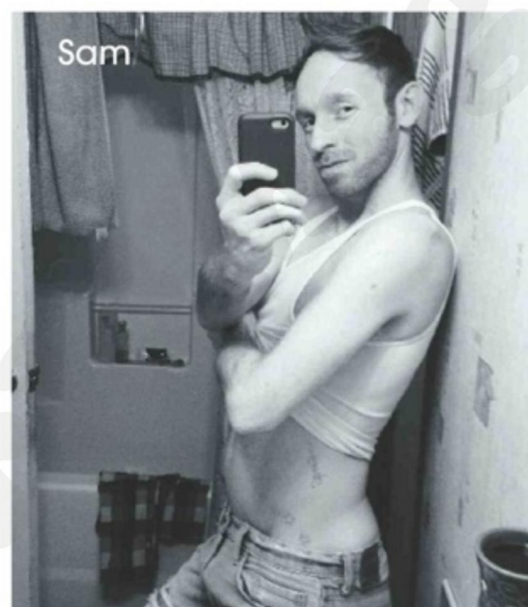

Editor's Note: Thank you, Jamie! While we've had the random

(and awkward) hit-on-the-editor-in-chief thing happen at a photo shoot or two, our models are mostly extremely respectful of the professional atmosphere we maintain between staff and models. There have, however, been beautiful friendships!

Average Sam

I am deeply honored to have been chosen in the Real Men Top 10, being that I find myself to be an average, normal man compared to the buff men usually portrayed. So thanks for honoring the thin man :)

BOND 24

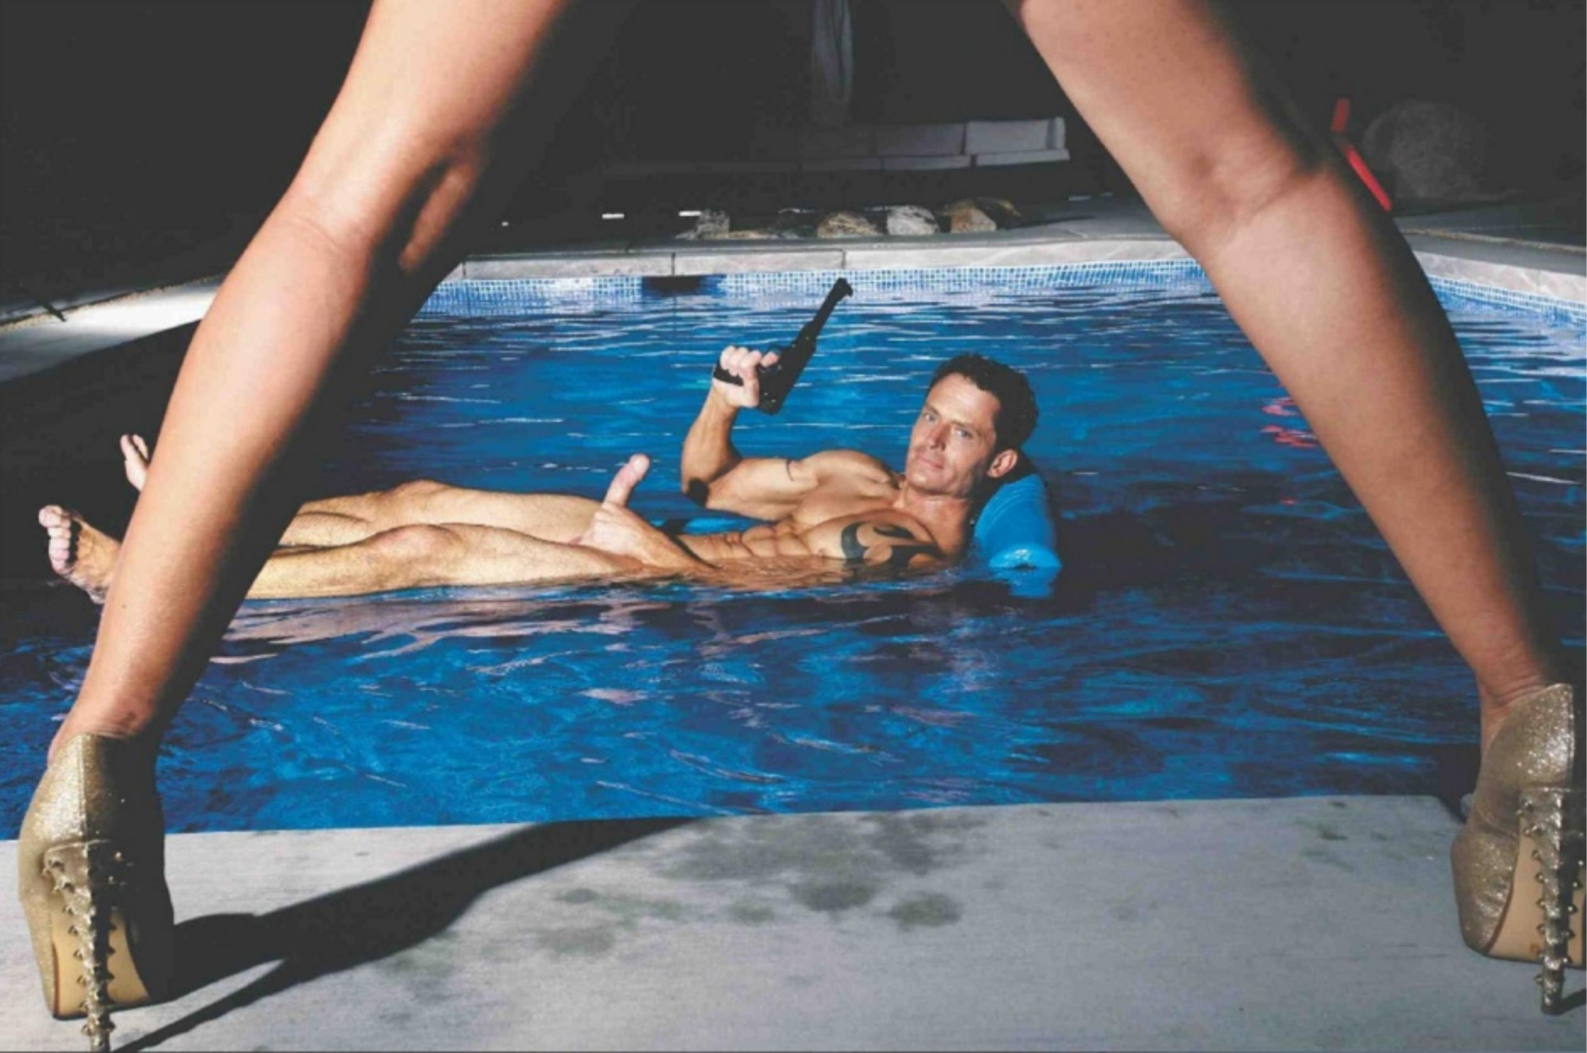

008 Keith Dies Another Day

Model Keith • Photography Studio 1435

International man of mystery Keith is up to all the usual Bond tricks: guns, girls, and living the lush life. He invited *Playgirl* out poolside to get a sneak peek at what a 008 does during down time. Strap on some stilettos and dive in, ladies: the water's downright scalding hot.

TWILIGHT

Playgirl's Hot Man of the Year Has a Thirst for Blood

Model Trevor Adams • Photography D'Andre Michael

Trevor's turned himself over to his most basic, primal instinct. And *Playgirl's* Hot Man of the Year has quite the carnal appetite. As soon as the sun fades, this creature of the night is out for blood, and won't quit until he gets it. If you like it rough, feast your eyes...

MAKING WAVES

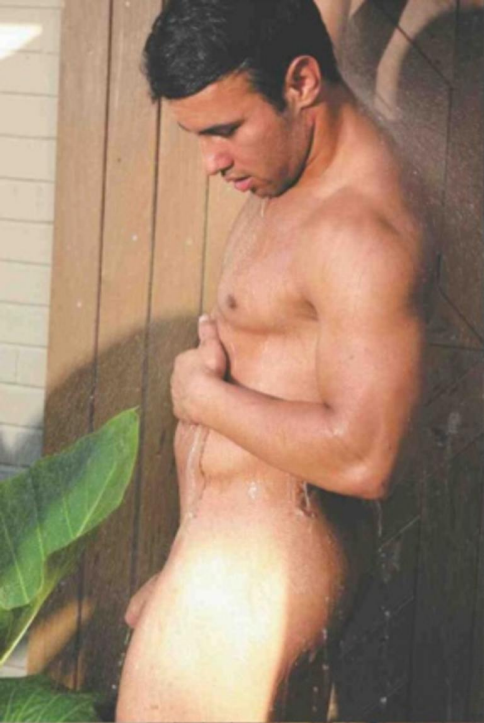

There's something in the water

Model Dorian • Photography Greg Weiner

You showed up with some girlfriends a few hours early to the bungalow you rented for the week to escape the onset of winter. But as you wander out back to check out the pool, you realize the last visitor is still here. You can't avert your eyes. Dorian is basking in the sun, totally unaware of your presence. What can you do but stare? Just as you get your bearings and prepare to go back inside, he notices you. Instead of being angry, he stares you dead in the eyes, smiles, and begins to pull that little bathing suit down, down down. This is going to be one vacation to remember.

AXMAN

Time to split Hunter's wood

Model Hunter • Photography Greg Weiner

Winter is coming to the wilds of Colorado, so Hunter's holed up at his cabin to get the firewood ready. He's been splitting logs all day so he's got a big cache of burnables for romantic fireside rendezvous all season long. But since you've shown up, he's putting the ax down for a bit and seems to be more interested in turning up the internal flame.

34487

BALL BREAKER

Brick-and-mortar ballgame

Model Kevin • Photography by Aaron

Kevin's loft apartment is the perfect place for a little back-and-forth ball game. Happy to say, Playgirls, these odds are stacked against—and on top of, behind, and under—you. So whether you're a dribbler, catcher, thrower or holder, Kevin's putting his ball in your court.

GREASE MONKEY

Lenny wants you to grease his dipstick

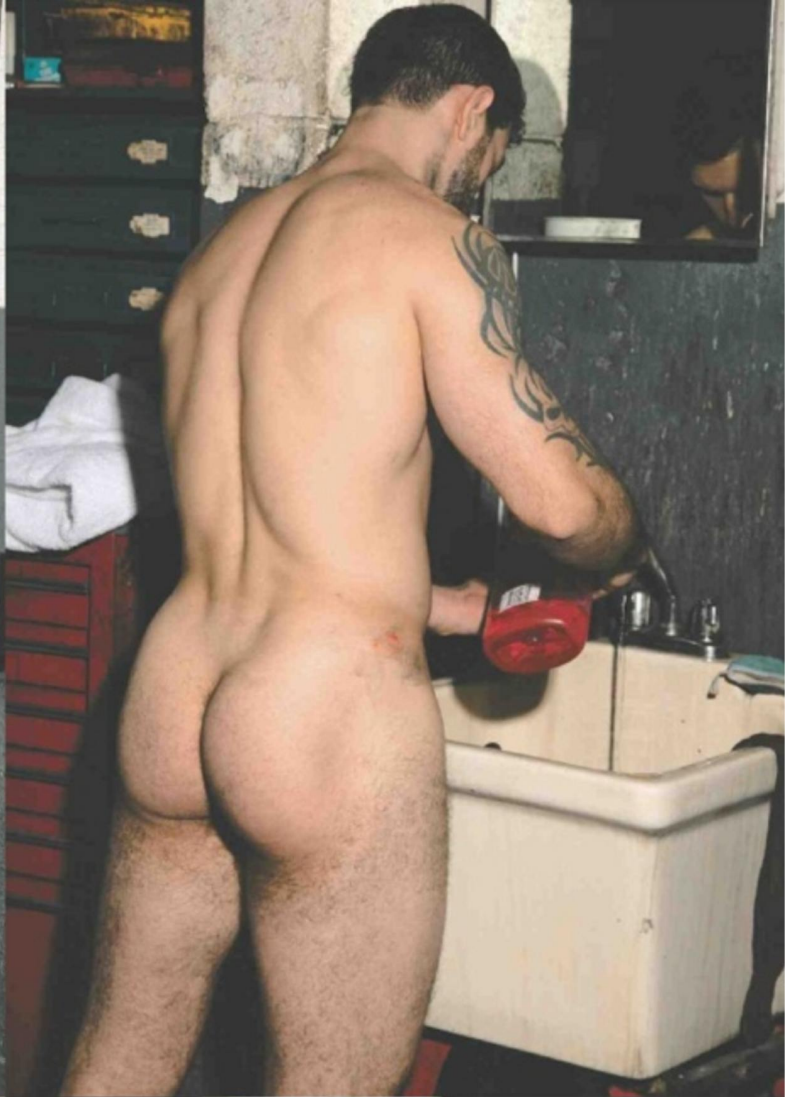

Model Lenny • Photography Greg Weiner

Never have we ever had such an uncontrollable urge to have car trouble. Lenny's lubed up and ready to check on all your parts. He'll start your motor, check your oil, inspect your muffler, and have you purring like a kitten in no time.

DESERT OASIS

Centerfold Eric is a sight for sore eyes

Model Eric Crew • Photography Studio 1435

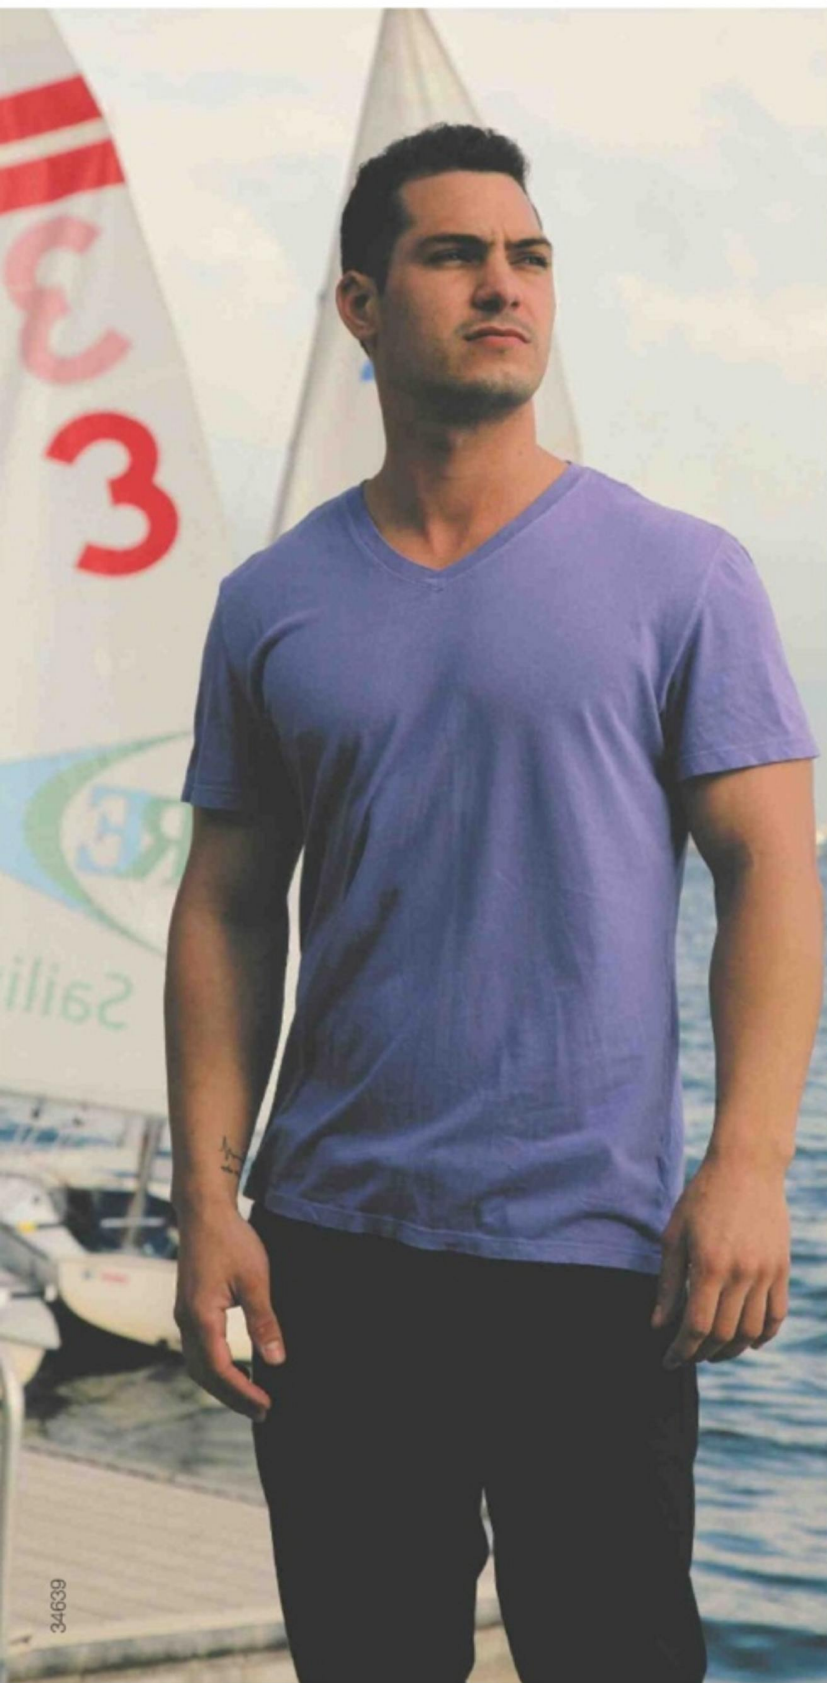

The open valleys, deserts, and big skies of the American Southwest certainly provide visual feasts. But Eric is here for more senses than just sight. He's here to illicit touch. Sound. Taste. Because against that hardened panoramic he stands before, This Centerfold has both hard and soft spots. Sweet and sour. Hot and hotter. So feast your eyes, but please don't forget to feed your loins.

FIRST MATE

We like the cut of Leo's jib

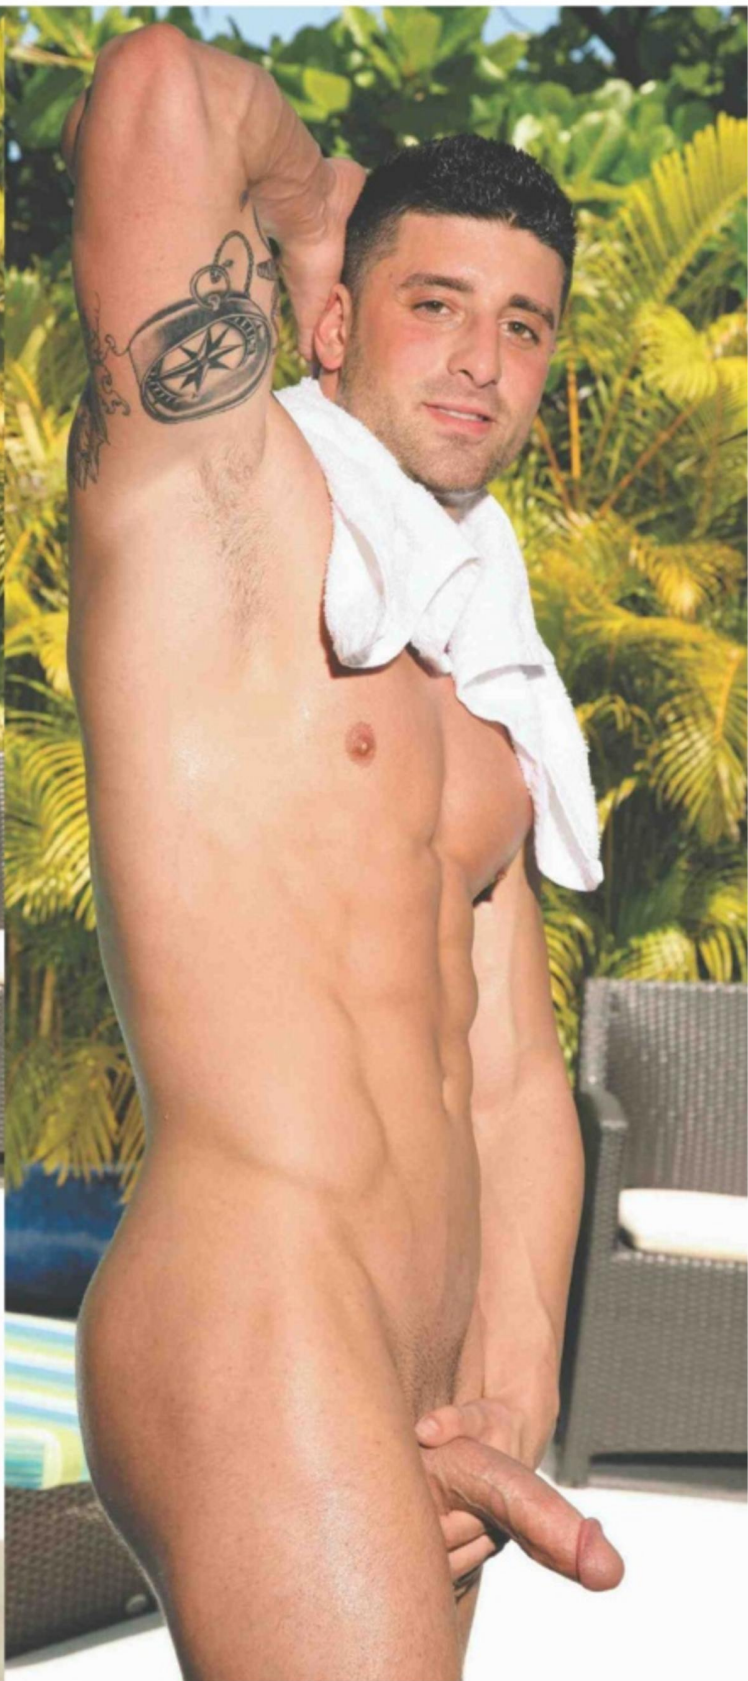

Model Leo • Photography Greg Weiner

Naval man Leo is about to ship off for a sail out into the deep blue. But first, he's hanging poolside to raise your mast and bring you to high tide. We've always loved sailors for their hard work and devotion; and can't wait to see how that translates to how this one treats a woman. Ahoy, *PLAYGIRLS*—this beauty is cumming about.

TROPICAL LUST

Laid In The Shade

Model Niko • Photography Greg Weiner

Our Italian stallion spends his days skipping around between Long Island, Queens, and anywhere else he's got modeling or performance gigs. His dance moves are so good, you'll have to spend a little bit of time imagining him gyrating those gorgeous hips for you in a private show. But what will impress you most is that this collegian's got one hell of a brain atop that stunning head of his. And he intends to use it: In addition to sweeping you off your feet, Niko intends to charm the pants right off of you.

TRY ME

Mr. Magnum thinks he'd make a nice fit
Model Earren Magnum • Photography Tony Ward

In the back room at your favorite club you find him: dressed in black, a chain around his neck, and beautiful women all over him. But he looks up when you enter, and rises to greet you. Everything else falls away as he closes the curtain to the rest of the world and slides onto the red velvet couch, waiting. You approach. Earren Magnum is going to look so good on you.

Model Antonio • Photography Studio 1435

Antonio moved the umbrella for you as the sun slid across the sky. He brought you fresh towels, exotic fruit skewers and all your summery cocktails. But now it's time to take things to the next level. This pool boy's shift is over and he's ready to show you the real services he has to offer.

12-GALLON HAT

Midday Cowboy

Model Dustin • Photos Greg Weiner

"I'm a good ol' country boy from the South," Dustin proudly related to *PLAYGIRL* while telling us about his truck that any good Southern boy would be proud of. The vehicle in question? A black-and-blue Dodge Ram 2500 (yup, a bruiser!). This four-wheel-drive pride and joy boasts a 5.7 hemi sitting on 35's. Perfect for off-roading with some special lady, and plenty of room for lying down across the front seat or in the bed out back. "I've drowned out the horn, had water up to the window," Dustin told us. There's only one thing he loves as much as his truck and beautiful women: The US of A.

Dio sings the body electric

Model Dionisio Heiderscheid • Photography D'Andre Michael

Dio Heiderscheid is a seasoned fashion model who has posed for luxury brands like Dolce & Gabbana. He's also the author of a new photography book called **FREEDOM**, which features ridiculously gorgeous photos of him in action. We thought we'd up the ante just a bit and get our own hot photos of the Buenos Aires native without all the fuss of things like clothes. You're welcome.

GOLDEN AGE

Enjoy an Abundance of Bliss

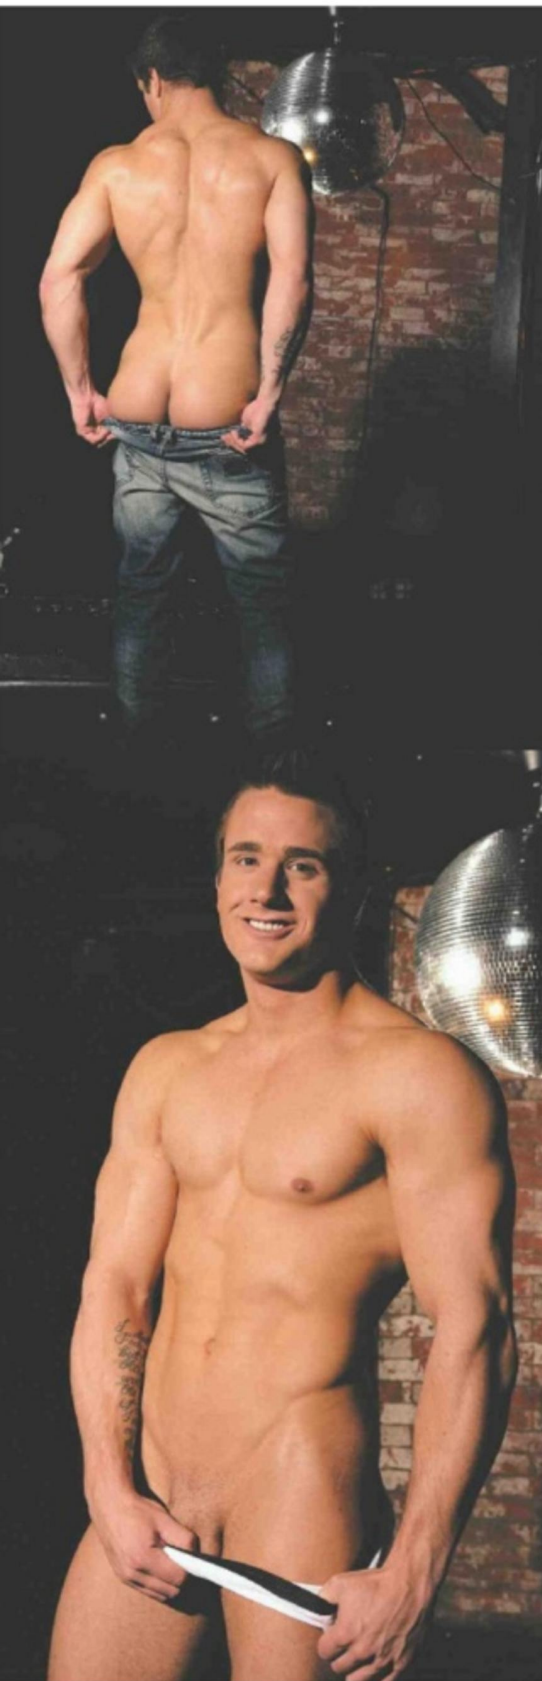

Model Aaron • Photography Holly Randall

Aaron is invoking the spirit of a bronzed, Greek god out here in his beach bungalow. Hanging from swings, leveled up to mirrors, and rolled over blankets are just some of the day's activities—no sand required. No matter where you are or what it's like outside, there's a perma-summer happening in this little slice of heaven. Time for you to take the day off and let your fantasies rule.

SATURDAY NIGHT FEVER

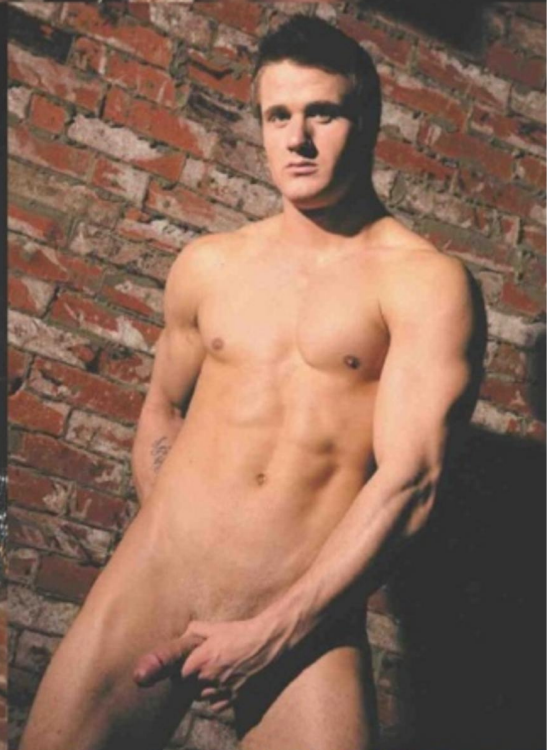

Burn this Disco Out

Model Cody • Photography Greg Weiner

Cody works the bar at the nightclub you frequent, and you've turned into a regular in order to ogle the merchandise. There's always been an unspoken attraction. Tonight, things change. Cody's locked the doors early in order to give you a private showing of his top-shelf stock.

RANCH ROMP

Back in the Saddle

Model Saul • Photos Studio 1435

Farm hand Saul is covering the grounds at a sprawling Southern ranch. Morning chores of feeding chickens, grooming horses, and carting hay around the property have given way to an early afternoon rest under a blazing-hot sun. To cool off, Saul is stripping down next to a large pond for a quick dip and, if you'd like, a nice big roll in the hay.

PLAYGIRL'S 14 MOST FUCKED-UP PLEASURE CHEST ITEMS

Over the last two years we have come across some very strange man-made pleasure devices. Some made us smile, others made us scratch our head, and still others made us wince. Here's a collection of 14 of the most twisted **PLAYGIRL** Pleasure Chest products that we remember most!

14. SUSHI MINI VIBRATORS

\$14, kanojotoys.com

Another example of Japanese ingenuity, these powerful yet inexpensive little clit-tinglers do double-duty as keychains! The Sushi Mini

Vibrators are a feast for the senses, instantly recognizable as the four classic types of sushi (tuna, shrimp, egg & octopus). The cuisine exterior actually masks a pulsing, buzzing vibrator that can be transported around with you. No one will suspect you're even carrying an SMV (unless, of course, you're from North Korea), and you can even clip it onto a bag or phone! That's right, every time you fire up your ride or unlock your front door, you can sneak in a quick clitty buzz and soak your panties! Pretty soon your keychain won't just look like a piece of sushi...

13. THIS IS KYLE

\$299, screwysextoys.com

This Is Kyle is the reason so many sex dolls are headless, or a fleshy chunk of pelvis, like Asstastic Alexis (see below). This Is Kyle does have a legless/armless torso along with a giant penis, but those eyes are sure to give you as many nightmares as orgasms. Sit on his crazy face and get off to fantasies of psycho killer suffocation, or scream, "Where's the rest of you, Kyle? What have they done with you?" until someone calls the police.

12. ALL-AMERICAN WHOPPER DONG WITH SUCTION CUP

\$29.95, adameve.com

Sometimes a lady wants nothing more than to ride a thick slab of beef to the far fringes of Orgasmville. The All-American Whopper Dong With Suction Cup is the right tool for the job. Sure, this veiny,

8-inch, "All-American" schlong is made in China, but what's more all-American than cheap overseas labor and outsourced jobs? That's the way we roll in the States! Fuck it! No, really. Moisten

the Suction Cup, stick the All-American Whopper Dong on your

shower wall or kitchen counter, and fuck it like a lust-crazed animal. Orgasmville Welcomes You! Enjoy your stay!

11. BODY ACTION ANAL BLEACHING GEL

\$50, amazon.com

Give your brown eye pink eye with Body Action Anal Bleaching Gel! Body Action Anal Bleaching Gel is for guys and dolls that want to lighten their intimate areas. The manufacturer claims they're making "innovative adult products for living a better lifestyle," but we see no reason to be embarrassed by your shit-stained bung hole. Lighten up!—figuratively, not literally. Viva la arsehole! When the brown eye winks, the whole room stinks!

10. BARBECUE BUDDY GRILLING APRON

\$22.85, Pipedream Products

Be the coolest Dad at the Boys & Girls Club Picnic with this snazzy number from Pipedream Products. The cock is cute and cuddly, like an Etsy craft project gone terribly wrong! As Pipedream puts it, "Now you can be as popular as Hef when you proudly make your mark as Head Chef!" Oh, you'll make your mark, all right—on the local police report! No, seriously, this gag gift won't land you in the clink (though you *will* lose the respect of friends and loved ones). Get cookin', good lookin'...just don't burn your wiener!

9. CONCUBINE MASTURBATOR

\$119.75, bigsextoystore.com

Imagine, you are an Emperor, ready to sample the finest concubine in your harem. She is a limbless dwarf with giant tits, hairy pussy, and a strange, stumpy cock jutting

from the top of her head. All of your deranged, *Game of Thrones* fantasies will be realized, if you plunk down a few ducats for the Concubine

Masturbator. Sure, it looks weird,

but it yields lots of options. Think of the Concubine Masturbator as a Swiss Army Knife for your private parts...and fodder for your heinous sexual nightmares.

8. ANAL RING TOSS

\$14.50, amazon.com

Combine Anal Ring Toss with Beer Pong and you've got the ultimate party experience! (Just make sure you cover the floor with plastic beforehand—things are gonna get messy!) A diminutive butt plug—2-inches long and .75-inches in diameter—gets parked in the rear, while party guests toss yellow rings at the anal target stick. The one with the most ringers wins! Loser has to suck the butt plug clean! Comes with three anal rings, and a butt plug target stick. You supply the lube...and subtract your dignity.

7. THREE BANGS FOR YOUR BUTT-A TRIPLE-HEADED ANAL PLUNGER

\$75, sexshop365.co.uk

Not for the faint of heart or hole, The Three Bangs For Your Butt suction cup base dildo is a serious pain/pleasure in the ass! Three penis-shaped heads mean three times the penetration power, and the suction cup base means you can stick this thing on almost any smooth surface. (Our favorite place is the hood of the car! We drive like dicks!) Measuring a whopping 12 inches (11 of them insertable) Three Bangs For Your Butt is sure to please the anal enthusiast in your life!

6. THE DILDO FUNNEL

\$39.95, extremerestraints.com

The party doesn't start until the Dildo Funnel cums out! Imagine placing the dildo into your partner's ass, and filling it up with your favorite liquid. The clear funnel tube lets you watch every drop flow into your loved one's poop chute. Not into ass play? Then have your partner suck the giant cockhead while you fill the funnel with the refreshing beverage of your choice. Hours of dirty, drunken fun sure to end in a 911 domestic dispute call! Break out the Dildo Funnel and chug, chug, chug!

5. ASSTASTIC ALEXIS

\$269, screwysextoys.com

Feminists complain that pornography reduces women to the sum of their body parts, and a product like Asstastic Alexis seems to prove their point. Still, this big, thick ass is nice and juicy, with lots of wiggle and plenty to grab onto. The two openings are uniquely textured, with detailed elements inside that mimic the feel of the real thing. The flat base gives you a solid

foundation so you can pound as hard as you like. One complaint: Asstastic Alexis is clearly inspired by big-butt porn star Alexis Texas, yet doesn't give her credit (or royalties). Fuck Asstastic Alexis! No, go ahead. We'll wait.

4. MY FIRST PREGNANT KNOCKED UP PUSSY

\$55, shopinprivate.com

Sex with a pregnant woman is an often rare, sacred act reserved for the mother of your children. Reduce that shit to stroke fodder with My First Pregnant Knocked Up Pussy. Drill prego pussy daily, and enjoy all the taboo fun of tagging a bun in the oven babe without the tears, threats, or financial responsibility! This pocket-sized masturbator will fulfill all of your pregnant dwarf fuck fantasies. Don't worry about knocking her up, someone's taken care of that already!

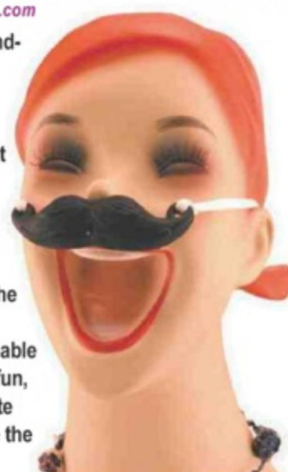

3. MUSTACHIO FAKE MUSTACHE VIBRATOR

\$11.99, shopinprivate.com

Mustaches are trending now with hip young women—visit any girly store at the mall, and you'll find bushy mustache art on everything from pocketbooks to sundresses.

Don't ask why—chicks are weird. But the makers of The Screaming O vibe are meeting the trend head-on with The Mustachio Fake Mustache Vibe. Strap this disposable vibrator on your face and get ready for 30 minutes of fun, merriment, and shame. Live up your next bachelorette party, tricky tray, church function, or charity event! Be the best Secret Santa ever! Live to ride... ride to live!

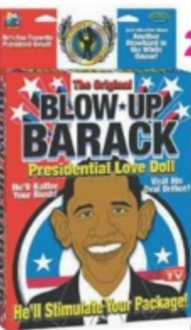

2. BLOW UP BARACK PRESIDENTIAL LOVE DOLL

\$31.49, shopinprivate.com

Create your own scandal in the "Oval Orifice" with the Blow Up Barack Presidential Love Doll! Yes, you'll get this bad pun, along with, "He'll batter your Bush," "He'll stimulate your package," "Our favorite President-Erect," and "Another Blowhard in the White House," when you pick up a Blow Up Barack Presidential Love Doll. Once inflated,

the doll is creepy and asexual, with a blue suit, red power tie, and Obama's confident smile. Hopefully this will work out better than the Hillary Clinton Blow Up Doll. The last time we fucked, she farted, and flew out the window.

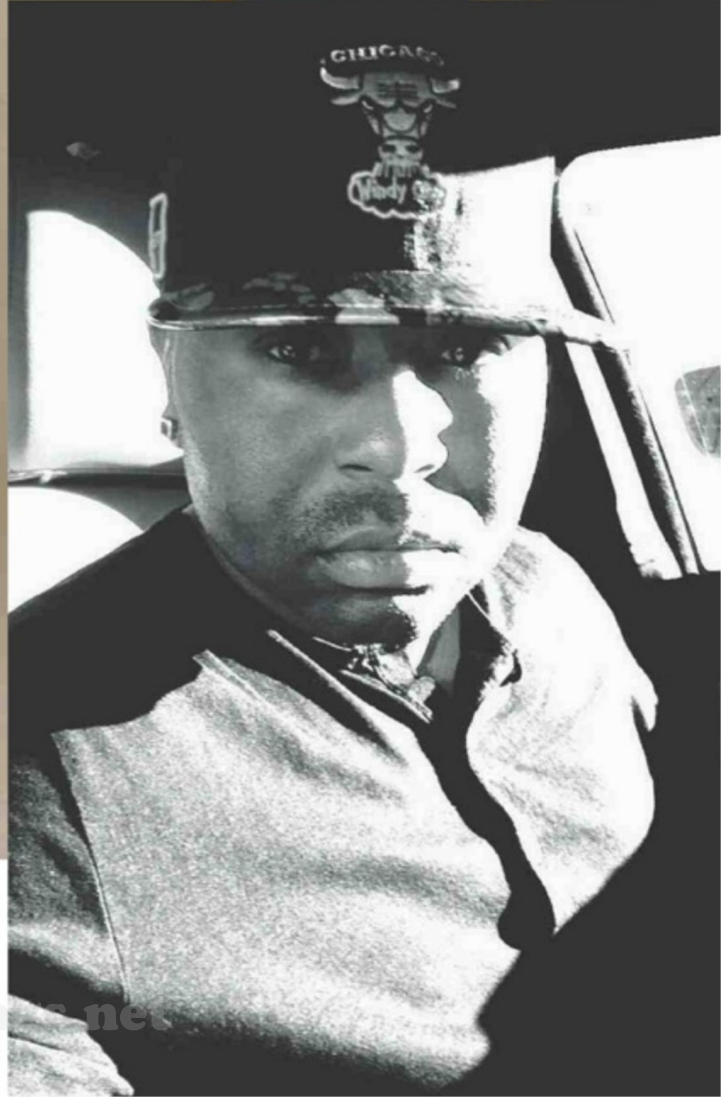

1. RUBBER PUSSY AROMA HOT PANTS

\$70, rubberevashop.com

Pussy aroma is good, but it looks like you're supposed to tinkle in these rubber hot pants. Perhaps you should question sexual activity that involves toxic human waste. Or not. We're all adults here, everybody makes their own choices, and The Chef don't judge, yo. The fine folks at Rubber Eva offer these rubber hot pants with an anesthesia mask internally attached to allow access when you're hanging a yoo-ee. Why this is a desirable feature is still a mystery to us, but we're admittedly pretty vanilla. Grab a gas mask, a re-breather kit, and go see a man about a horse!

"My wife and family support what I do to the fullest. They believe 100-percent in me. Whatever I need and whenever I need it, they are there."

Derrick Worsley, Actor, Nashville
Disclosing his secret weapons.

THEY SAID WHAT?

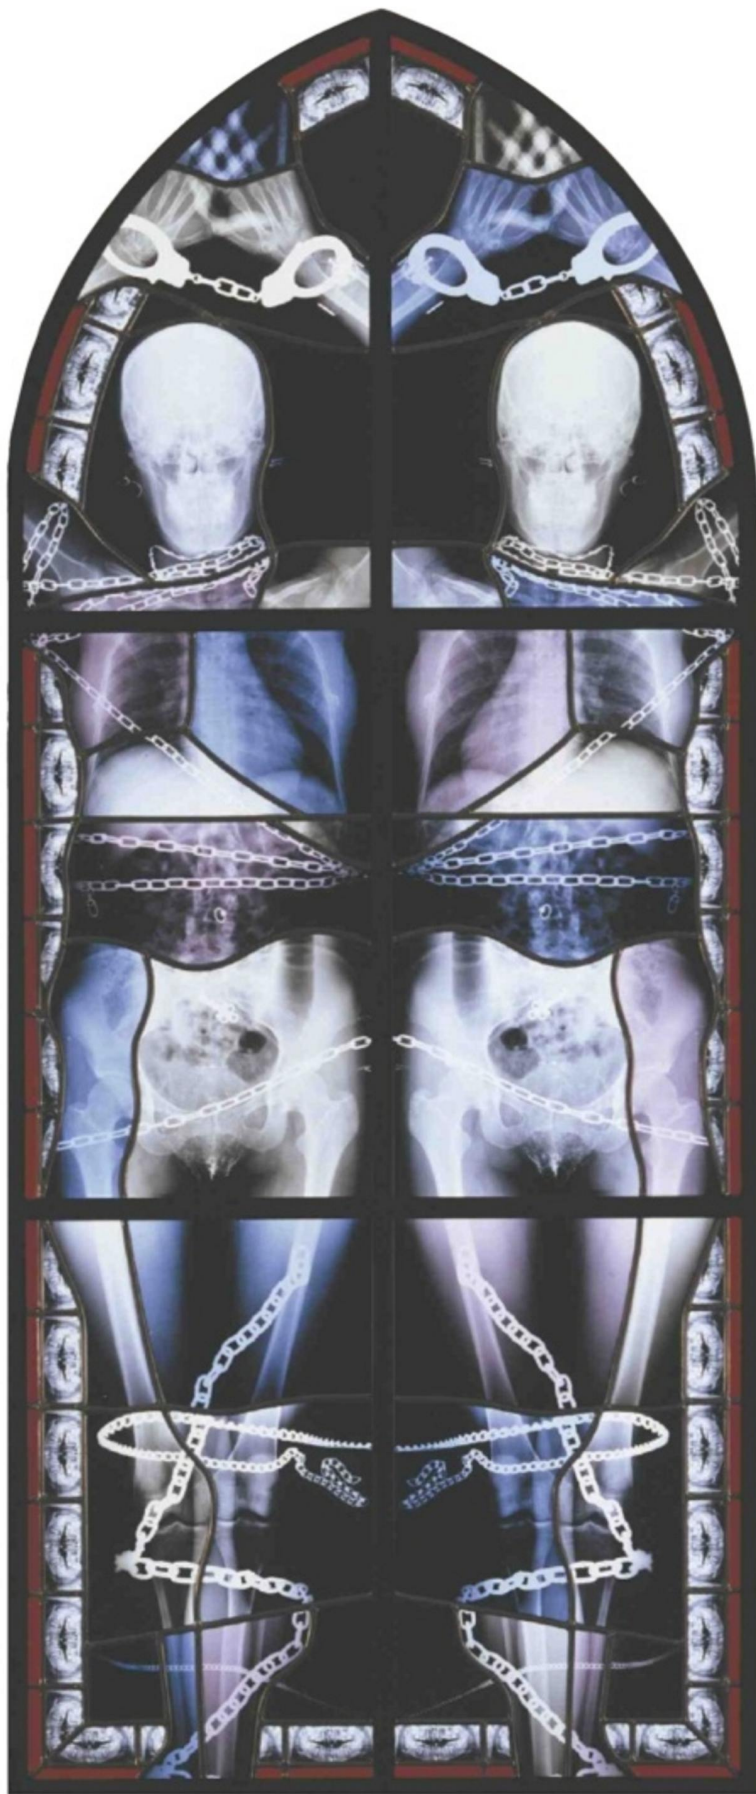

Sometimes celebrities say the strangest things. Four decades and counting have given us more than our fair share of celebrity non sequiturs. Here's a compilation of some of the most sage wisdom, hilarious on-liners, and unbelievable statements that we've heard from some of the most famous interview subjects we've had the pleasure to chat with along the way.

"I'm not going to pretend that I'm this perfect person who thinks everything is great. It's human nature to judge."

**Sunny Megatron, Adult Blogger
& Pleasure Advocate**

Revealing her pessimistic side.

"Radiography makes us more aware of our machine side, and also our animal side. Radiography makes the body so naked that it is not intimate anymore, not sexual anymore."

Wim Delvoye, Concept Artist

Defining the difference between science and beauty.

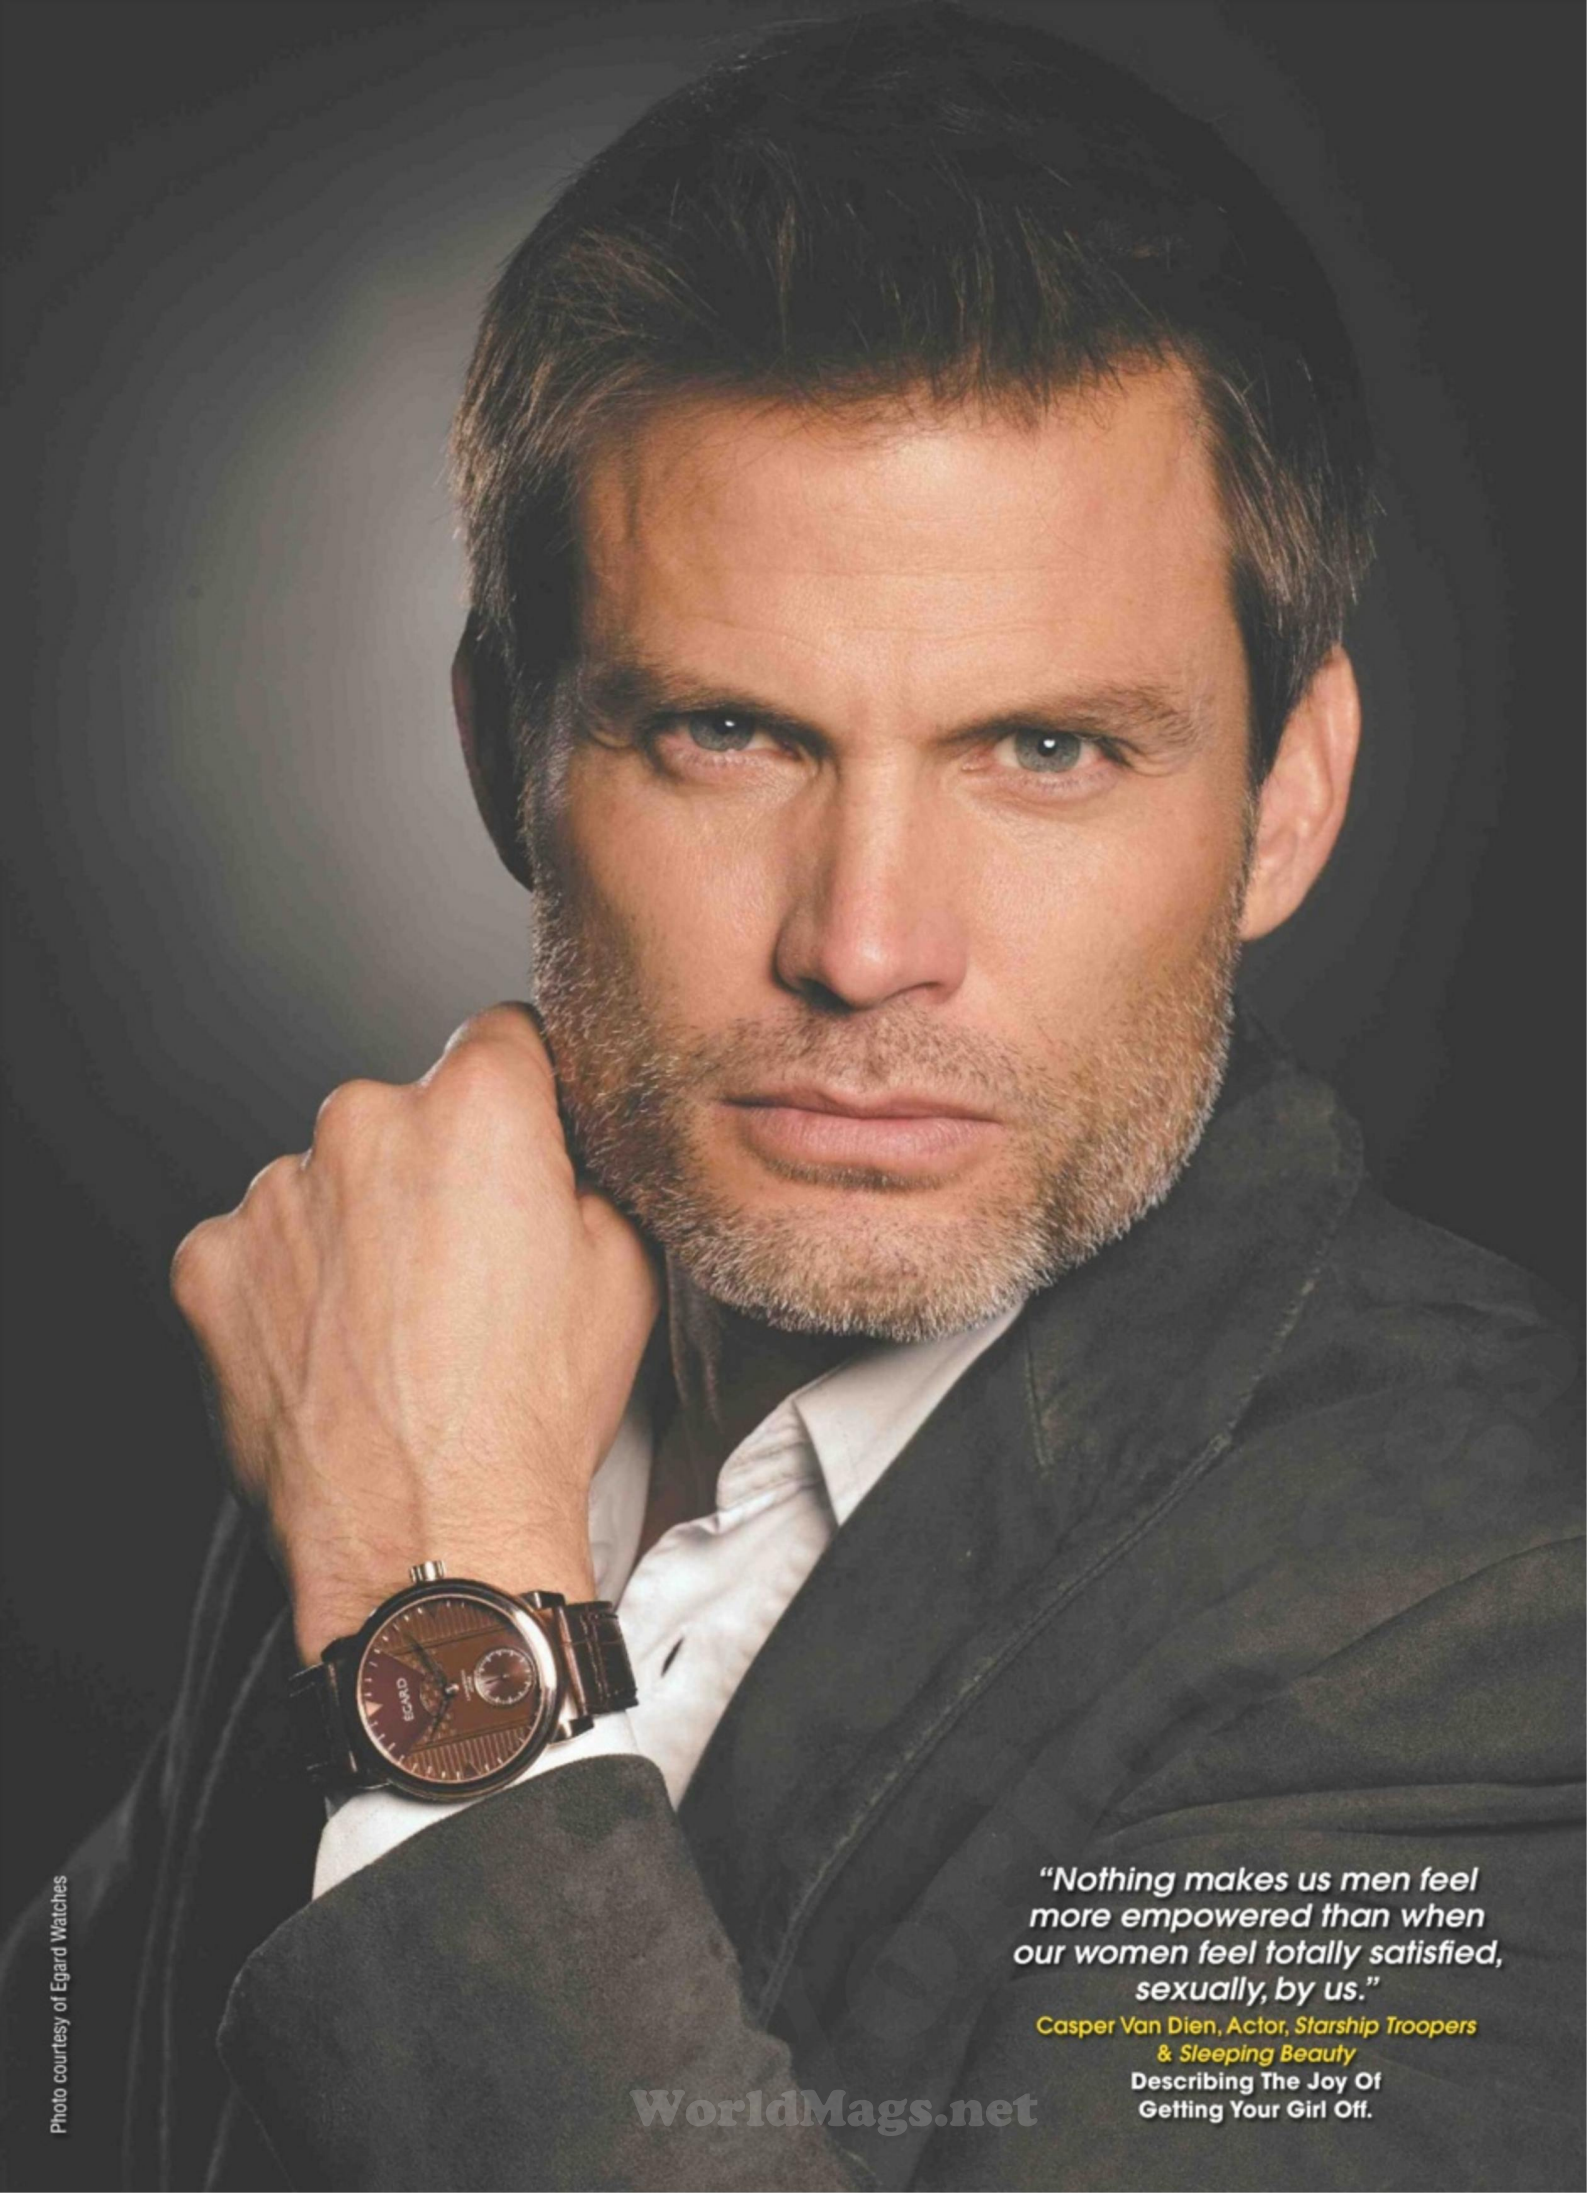

"For me, being part of the sexual underground wasn't about getting laid. It was about helping others find what they were looking for."

Dixie De La Tour, Creator and Host of Bawdy Storytelling

Describing her sole desire to assist others in finding their way.

*"Nothing makes us men feel
more empowered than when
our women feel totally satisfied,
sexually, by us."*

**Casper Van Dien, Actor, *Starship Troopers*
& *Sleeping Beauty***

AFTERNOON DELIGHT

Take a Siesta with Hot Man Diego

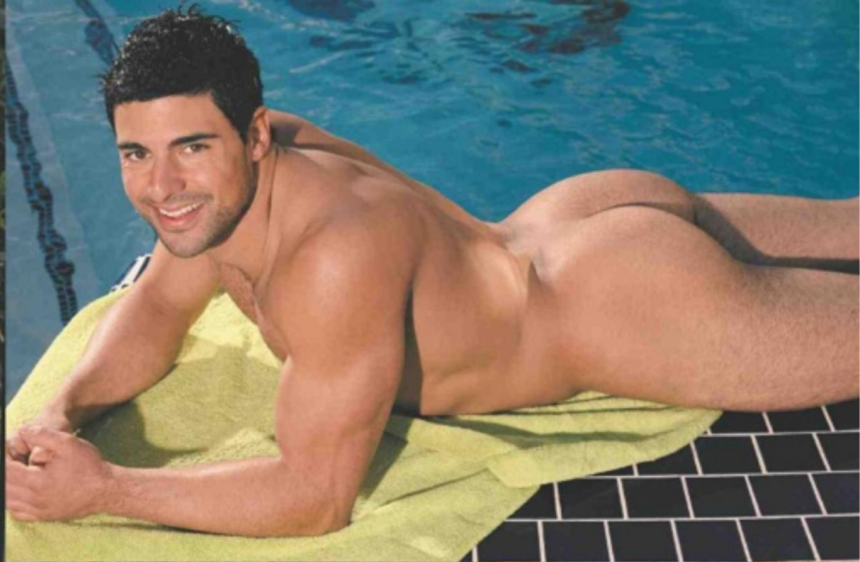

Model Diego Valentino • Photography Greg Weiner

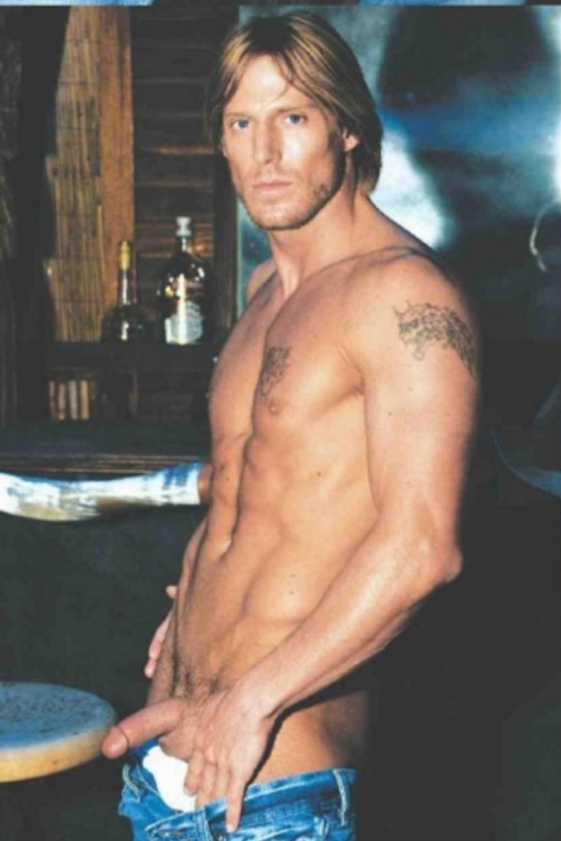

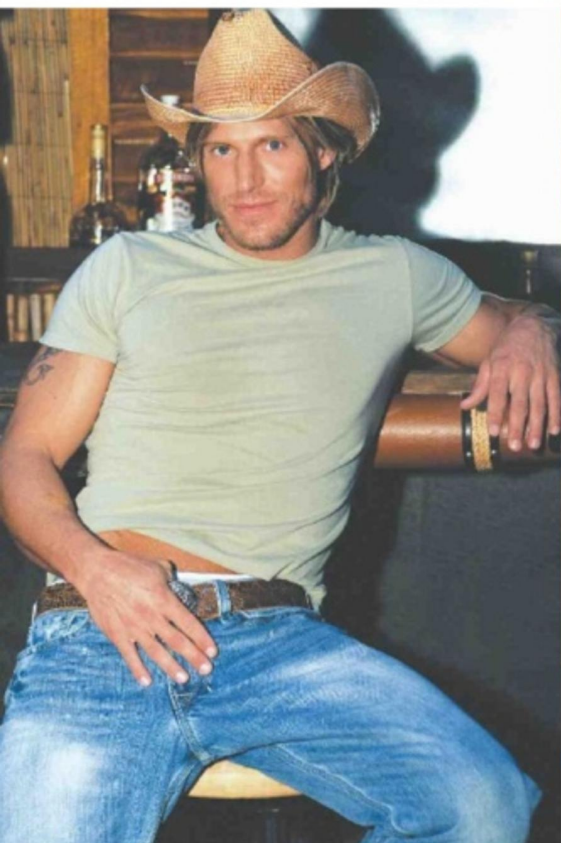

In Italian, the name Valentino means brave or strong. It's also got roots in Valentine, which as you very well know refers to the most romantic of holidays. So what do you get when you combine a gorgeous, brawny man and some late-afternoon romance? The stuff dreams are made of.

HEY BARTENDER

Check out this bar's back room

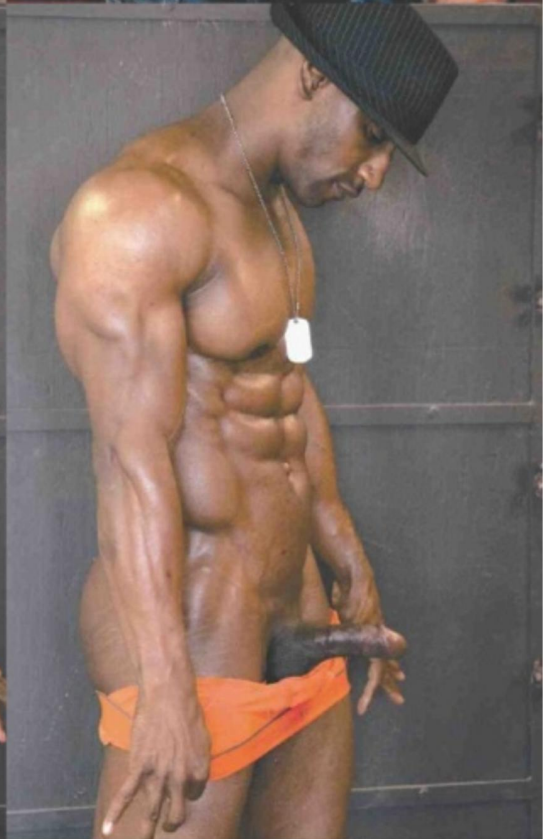

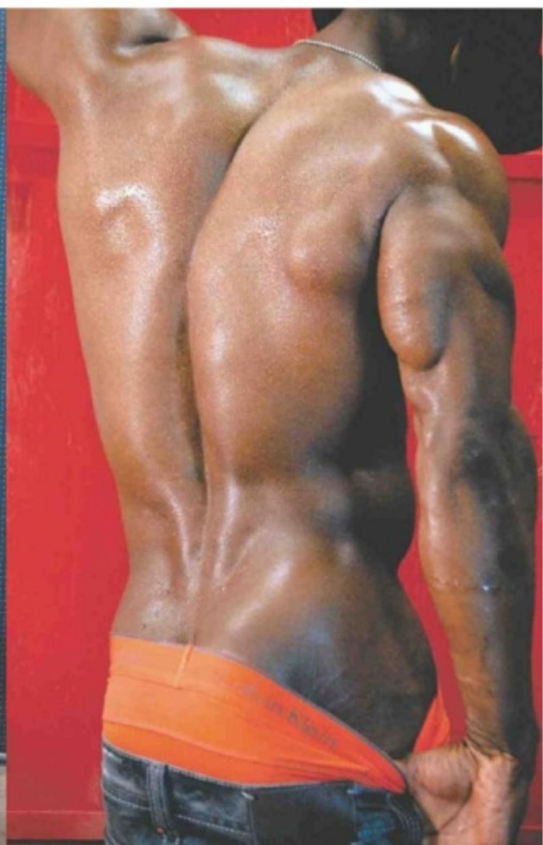

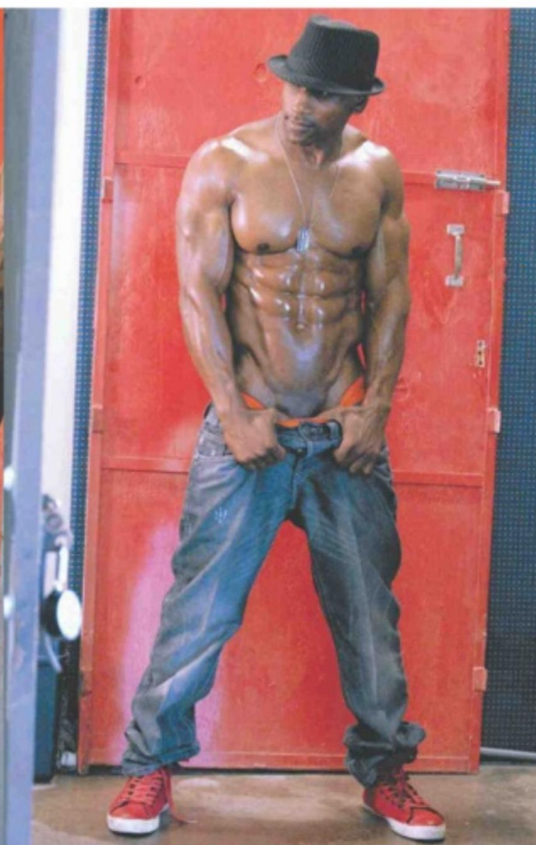

Model David E. Lee • Photos Studio 1435

It was late at night when you pulled into the dusty saloon parking lot on the side of the road to rest. All the lights were off except one, and you walked up to the glass door to peek inside. There was David, wiping down the bar, with his sandy hair tufting out below his cowboy hat. He looked up when you knocked, flashed a smile, and came over to unlock the door. One beer has turned into a bar-room brawl it looks like you're gonna win.

LET'S GO CRAZY

SWEET DREAM

You're about to toss and turn all night
Model Dream • Photography Greg Weiner

What's in a name? For this *Playgirl* model, a lot—since Dream is filling our heads with all sorts of fantasies that we're sure will keep us up long past our bedtimes. The wall, couch, and bed are your props; this man is every sexy thought you've had in the flesh. There's only one question; what dreams may come?

THE MUSE

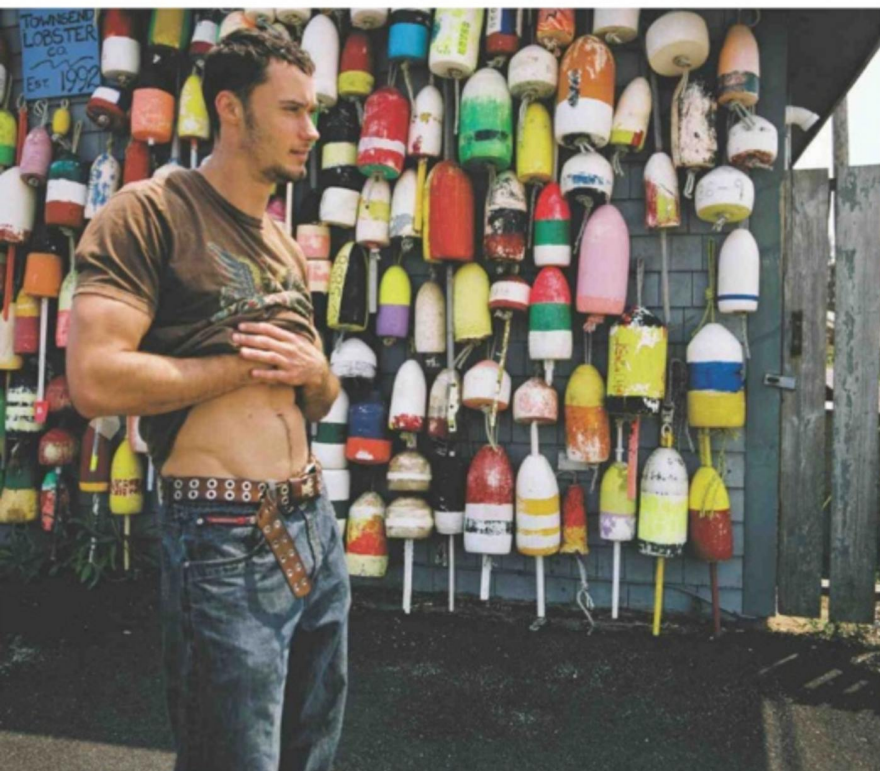

Figure Drawing Has Never Been So Fun

Model Paul • Photography Studio 1435

You've been taking adult art classes at a downtown loft for the last six weeks, trying to keep busy after a recent breakup. So far the figure-drawing classes have been downright uninspiring—until today. Paul's got all the right lines in all the right places and you're being encouraged to look all you want. Suddenly you're having a hell of a time remembering what you saw in your ex in the first place. Feast your eyes, Playgirl, and let your pencil do the talking.

BIG BOUY

Joey's got you anchored

Model Joey • Photography Casper Johnson

Out on the oceans, lakes, and rivers, buoys are used to mark areas as safe or dangerous for boats. But here on shore, Joey's got his own special marker. And it's telling you the water's just fine. Today you can forgo the lobster hunting, surfing, and sailing. This high-seas adventure will certainly get you wet—but it won't require dipping a single toe into the ocean.

BEAT THIS

Quinn shows off his piece of heaven

Model Quinn Jaxon • Photography Greg Weiner

You'll think you're dreaming when you see this idyllic retreat Quinn wants to share with you. With a jungle-like grove of trees and lush green leaves, a warm saltwater pool, and benches and wallspace galore for being bent over, leaned against or climbed upon, there's plenty to see and do. Don't worry, we'll give you two plenty of time to get acquainted.

THE WOODSMAN

This lumberjack will split you in two

Model Landon Conrad • Photography D'Andre Michael

The "lumbersexual" craze has taken this country by storm as women everywhere ache over this renewed era of rugged manliness, that can't help but send us into a tizzy. Landon embodies this look so wholly, we can't wait for him to show us what he can do with those hands... and everything else.

BORN TO RIDE

Sometimes Being Bad Feels So Good

Model Jared • Photography Holly Randall

The American highway has captured the hearts and imaginations of writers the world over, inspired poetry, and instigated sexual adventures from truck stops to lovers' lanes. Now Jared's taking you for a spin on a dusty country road in Anywhere, USA—where the ride is the destination.

GET LEI'ED

Say Aloha to this Hawaiian Treasure

Model Hunter • Photography Casper Johnson

During a week-long vacay in Hawaii, you signed up for an off-road adventure through some of the most beautiful back country on the planet. Your guide on this journey is Hunter, a native who can't seem to take his eyes off of you. The Jeep pulls over at a small bungalow so the tour group can take pictures of the view: cliffs climbing hundreds of feet off the Pacific beach below. While everyone else is gawking at the scenery, Hunter grabs your hand and pulls you inside the tiny cottage to give you a private experience of paradise not listed on the brochure.

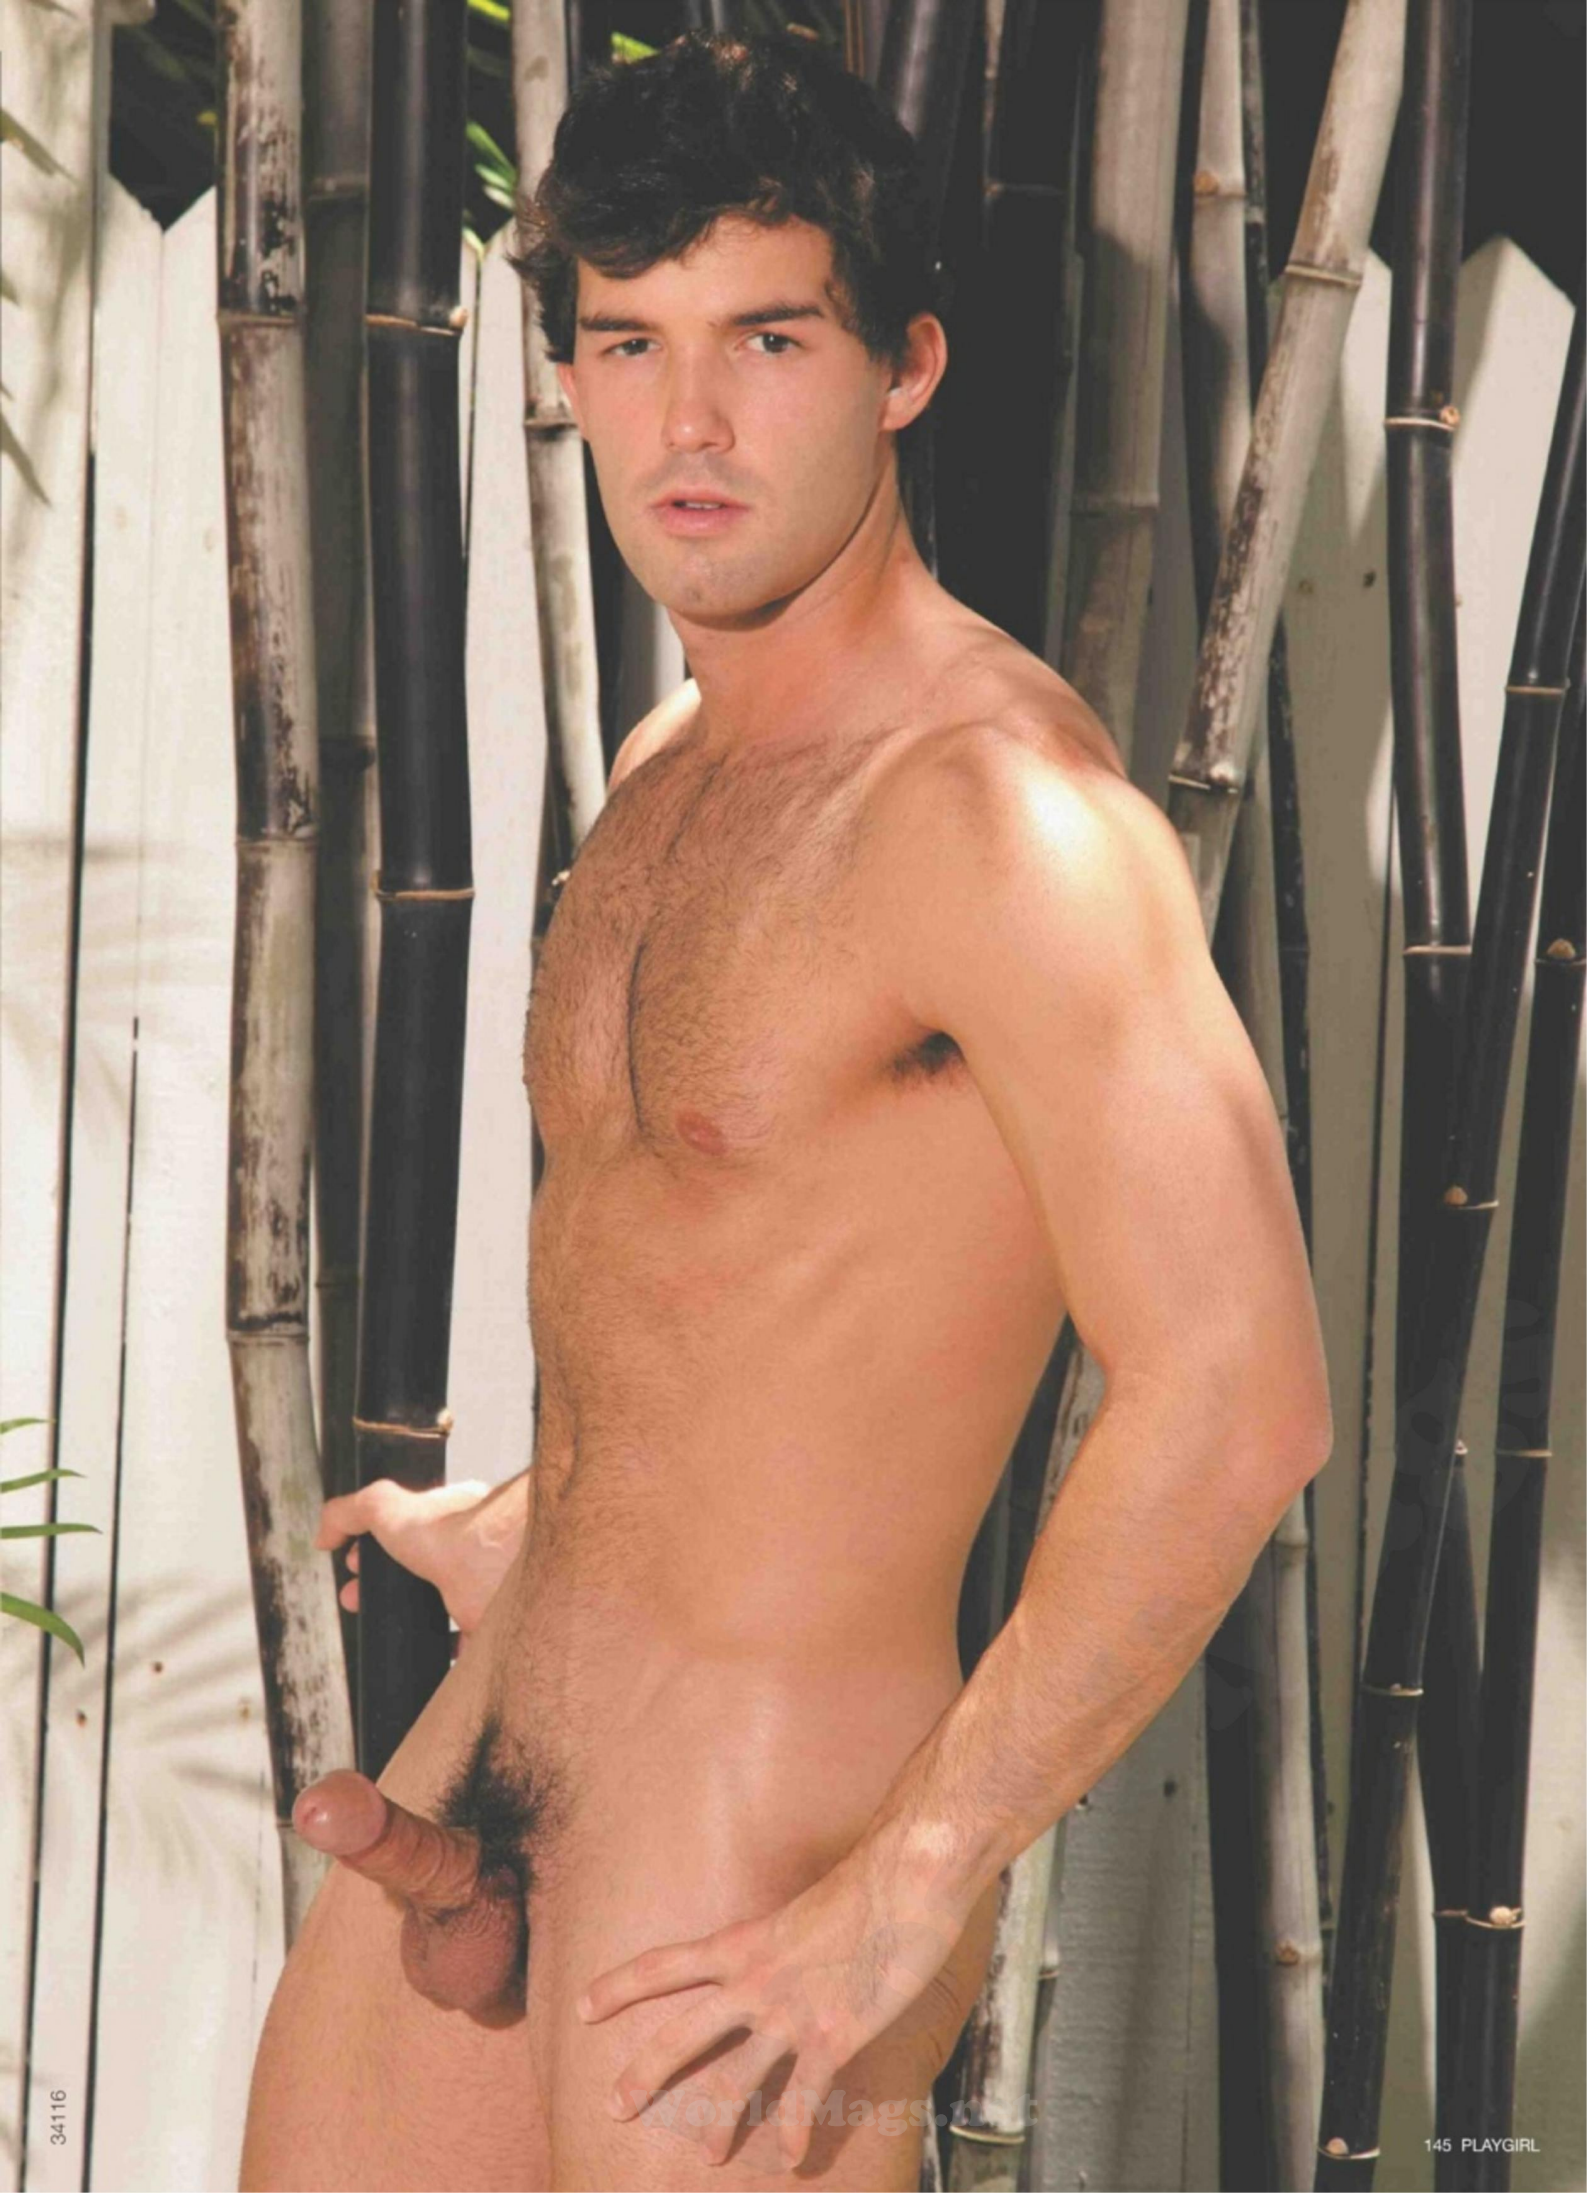

POOLSIDE PLAYGROUND

Cum On In, The Water's Fine

Model Harrison • Photography Greg Weiner

Harrison is an art student working in graphic design, illustration, logo creation, and page layouts. When he's not studying and honing his craft, you can find Harrison in the closest gym. "I'm a big fitness kid," he told *PLAYGIRL*. His favorite show of athleticism is heavy lifting. And while your dainty little things are in no way comparable to a heavy lift, it's safe to say Harrison is more than capable of doing unbelievable things to you while holding you way up off the ground.
